IPB Inc Product Portfolio

## Child-Resistant Sprayer

Patent Pending

For spray dispensing applications that involve sensitive materials, our child-resistant sprayer is the perfect solution. Its patented design ensures that its contents remain safe from children but still easily accessible due to its simple squeeze-and-turn cap. Available in a variety of configurations and colors.

Dome Cap

Flat Cap

### C-R CERTIFIED

### POLYPROPYLENE SPRAYER

### PATENT PENDING

### POLYETHYLENE BOTTLE

### MULTIPLE SIZES AVAILABLE

Bottles available in 5mL and 10mL sizes to meet your dispensing needs

### CUSTOMIZABLE COLORS
